Husband Tom Baskett & Diane retired to Vermont to be closer to her family home in the Laurentians, north of Montreal and near her son and his family including their daughters now aged 12 & 10 who live in Burlington VT. Tom's son and his family including their kids aged 23, 16, & 13 live in Livingston, Montana. We usually get to see them at least once a year, if not more often. They love coming to the Laurentians!
